JTTM Grand Ball Sponsorship

Risings!

My name is Danielle Jackson, and I am the CEO of JT Talent Management. It is with great pleasure that we announce our partnership with Fostered Foundation and introduce a premier sponsorship opportunity for the highly anticipated Grand Royal Ball. This event will be hosted on September 27, 2025, at the renowned DoubleTree Hotel.

The Grand Ball is the 1st annual celebration for JTTM. This is a prestigious event designed to bring together members of our community for an evening of elegance, entertainment, and celebration. The event will recognize an aspiring senior or GEM that has stood out in their community and promises to be an unforgettable experience for all attendees.

We believe that your company shares our commitment for excellence and community engagement, making you an ideal partner for this event. Your sponsorship would provide invaluable support and here are a few ways you can get involved:

1. Sponsorship Packages: We offer a range of sponsorship levels, each provided with a donation receipt, along with unique benefits such as logo placement on event materials, mentions in our promotional marketing, VIP tickets, and more.
2. In-Kind Donations: Contributions of goods or services that support Fostered Foundation - a youth focused nonprofit organization and JT Talent Management.

By partnering with us, your company will receive significant exposure and the opportunity to align with a high-profile event that attracts influential community members and leaders. Attached is a detailed sponsorship package for your review, outlining the benefits and opportunities available at each sponsorship level.

We would be delighted to discuss this opportunity further and explore how we can create a long-term partnership. Please feel free to contact us at **360event.info@gmail.com** to arrange a meeting or to answer any questions you may have.

Thank you for considering this opportunity. We look forward to the possibility of working together and making this Grand Ball event a resounding success.

Best regards,

Danielle Jackson

About Fostered Foundation

2025

Fostered Foundation exists to ensure that youth aging out of the foster care system don't age out of opportunity. We are a mission-driven nonprofit dedicated to equipping foster youth with the skills, support, and community they need to thrive in adulthood.

Each year, thousands of young people transition out of care without the resources, relationships, or roadmap to succeed. At Fostered Foundation, we believe that no young adult should have to navigate life alone. That's why we provide holistic programs focused on mentorship, workforce readiness, life skills development, and community connection.

Our work is built on the belief that with the right tools and champions, every young adult has the potential to lead, grow, and give back. We partner with employers, educators, mentors, and advocates to build sustainable pathways from surviving to thriving.

Together, we're not just changing outcomes — we're building a generation of empowered leaders who turn their experiences into impact.
